Location: Accra,Ghana

## PROFESSIONAL SUMMARY

Experienced Frontend Developer with over 4 years of experience creating engaging, user-focused web applications. I love bringing ideas to life using modern frontend tools and frameworks, crafting interfaces that look great and feel effortless to use. I've had the chance to work in industries like FinTech, Healthcare, and E-Commerce, where I turned complex requirements into intuitive digital experiences. Whether it's collaborating in agile teams or diving deep into optimizing performance, I'm always focused on delivering solutions that drive real impact and delight users.

## Main Skills

JavaScript, TypeScript, Node.js, Python, HTML5, CSS3

Vue.js, React.js, Next.js, React Native, Nuxt.js

Express.js, Django, Flask

Tailwind CSS, Material UI, Figma, Bootstrap

Jest, Cypress,

MongoDB, SQL, Drizzle

## Recent Experience

Lead Frontend Engineer @ **Diaload**                Nov 2022 - June 2024 | Remote, Nigeria

Skills: React.Js, Javascript, Typescript, Jest, Redux, Tailwind, Cypress

Product : Diaload @ https://console-uat.diaload.com/login

- Spearheaded the development of a cutting-edge testing application aimed at empowering mobile developers to streamline testing workflows and enhance debugging capabilities.
- Collaborated seamlessly with cross-functional teams to ensure smooth integration of frontend and backend systems, improving overall system cohesion.
- Implemented advanced performance optimizations, leading to a 30% reduction in application load times and enhanced user experience.
- Led code reviews and mentored junior developers, promoting best practices and contributing to a culture of continuous improvement.

Full-Stack Developer @ [mPedigree](#)                    Sept 2021 – Oct 2022 | Remote, Ghana

Skills : Vue.Js, Javascript, Python Django, Typescript, Jest, Tailwind, Pinia, Vuex.

Product : DAIN @ [https://dain-staging.veryfy.net/](https://dain-staging.veryfy.net/)

- Contributed to the development of DAIN, a file explorer system focused on securing and managing sensitive academic files for higher education institutions.
- Engineered and executed performance optimizations to enhance application responsiveness and user satisfaction.
- Collaborated with product, design, and backend teams to implement new features and ensure the smooth integration of all system components.
- Participated in peer code reviews and helped improve overall code quality, ensuring robust and maintainable software solutions.

Lead Frontend & Mobile Engineer @ [Hodlpay](#)        Feb 2021 - Aug 2021 | Remote, Ghana

Skills : Javascript, React.Js, React native, Next.Js, Typescript, Jest, Cypress

Product : Hodlpay @ [https://app.hodlpay.io/](https://app.hodlpay.io/)

- Led the development of Hodlpay, a secure platform enabling users to seamlessly buy, sell, and trade cryptocurrencies through an intuitive and responsive user interface.
- Managed a team of frontend and mobile engineers, ensuring alignment with project goals and user needs.
- Architected complex UI components, optimized performance, and enforced consistency across web and mobile platforms.
- Established CI/CD pipelines that reduced deployment times by 40% and ensured faster delivery of new features.

Full-Stack Developer @ [KTechHub](#)                    Dec 2018 - Jan 2021 | Remote, Ghana

Skills : Javascript, Vue.Js, Typescript, Jest

Product : Dijievents @ [https://dijievents.com](https://dijievents.com)

- Developed Dijievents, a platform tailored for organizing events in higher education institutions, providing event creation, management, and attendee tracking capabilities.

- Implemented server-side rendering, enhancing the platform's SEO and page load performance for better user engagement.
- Collaborated closely with other developers to design and implement new features, ensuring a seamless user experience.
- Mentored junior developers and championed the adoption of best practices, fostering a collaborative and growth-oriented environment.

## Education

Bachelor of Science in Computer Engineering                    Oct 2018 - Sep 2022

University of Energy and Natural Resources                    Sunyani, Ghana
